Aug 13 next meeting

Aug 18 final registration

Campbell River Youth Soccer Administrators report for July 2007

Spring 2007 has been a great success this year and our numbers should grow even more in the following year. Wind up saw disastrous weather at the outset but cleared up and was a great success. Thanks to some terrific volunteers!

Division managers for our fall program are needed in several divisions so please let me know if you wish to volunteer for these openings.

Clubhouse has been in constant use for a variety of events.

AGM was held on June 18th and Collin Nemeth was voted in as CRYSA President over long serving President David Wood, Sid Shook is once again Vice President and Allison Wood the Treasurer. Geoff Comerford is the new Secretary. David Wood will be the Administrator starting on September 1st. This will be a big change and we wish Collin and David success in their new roles.

Banquet was held on June 17th at the Coast Discovery Inn and the various awards were presented. Next year we will see two trophies added with a most valuable and most inspirational boy award. This event is a great way to wrap up the year with a terrific meal served by the staff.

I was honored to MC the event. Congratulations to all of the award winners and thanks to all who attended, it was a great evening.

Thanks to Ken Garraway for bringing the Provincial U14 girl's team to Campbell River and taking on two of our youth teams. The U12 girls were invited to join the Provincial girls as they carried out their training.

Our Provincial teams did a great job with the U12 girls and U14 boys winning silver while the U15 boys took bronze. The U16 girls finished out of the medals, but did very well despite their short bench. A great performance by everyone!

Fields are not getting much use and are in great shape.

Graham Sibley
CRYSA Administrator
